Song Lists for Weddings, Birthdays and any such events!

- **There are two lists here - please view them as one - the difference is purely for my benefit as they are stored in two different places**
- **Some of the headings might not be strictly accurate, but it just helps me to know where everything is**
- **When choosing songs, allow around 20 for every hour that you have booked**
- **However please feel free to choose more or less than that and I will edit the playlist to suit what I think works best**
- **Please feel free to request new pieces too and I will endeavour to source the music and learn them at no extra cost**
- **Classical pieces are available too, especially for ceremonies, once again just ask and I will do my best to play it for you – favourites include Pachelbel's Canon and Einaudi's I Giorni**
- **Not all of the pieces on here are necessarily suitable for weddings, so I reserve the right to edit your choices – after all you don't want me inadvertently playing a subtly disguised break-up song for your wedding reception!**
